To Whom IT May Concern:
Greetings: A CÁRÁ dhílís,

Subj: IRELAND (NORTHERN), PROBLEM: FORIEGN INCURSION AND HARASSMENT. CAUSE: CIVIL RIGHTS STRUGGLE.

In Nov. 1969, the C.I.A. (with inside aid) gave the I.R.A. £40,000 to conditionally maintain it's aggressive status in the six county state of ULSTER. The conditions were threefold, one of them was .... to scrap it's political policies and Sinnfein political party (South). At the final meeting the IRA representatives accepted the money and left. The evidence of certain parties involved is in DUNGANNON. This newspaper was sucessfully firebombed in 1973 by unknown parties (DUNGANNON NEWS). Yet the evidence still exists.

I AM in Legal morass with an illegal "political" action charged against me abstractly related to the above fact, among many others. I was an original "Bogside Vol." with B D on the Derry Barricades.

I beg to ask what I might do with such information as I have found myself on an endless tightrope carrying a burden greater than I imagined. When you're incarcerated, you find out who your friends really are. I am out on bond and presently unemployed. I will be found guilty of the federal charges against me.

If someone could advise me (not Lawyers technical Jargon counseling) that have a background of experience, I would greatly appreciate it. Do CÁRÁ I MEÁS,

Very Respectfully yours,

S. H.
